

Spirit Novel — Terms and Conditions

Account Creation & Identity Document Submission

These Terms and Conditions ("Terms") govern the creation of a user account on Spirit Novel ("the Platform", "we", "us", or "our") and the submission of a government-issued identity document (such as Aadhaar, PAN, or Passport) ("the Document") as part of that process. By creating an account and submitting your Document, you ("the User", "you") agree to be bound by these Terms. If you do not agree, please do not proceed with account creation.

1. Purpose of Collection

The Document you submit during account creation is collected solely for the purpose of verifying your identity ("Identity Verification"). We collect this Document to confirm that you are who you claim to be, to prevent fraud and impersonation, and to comply with applicable laws and regulatory requirements relating to user verification.

2. Limited Use Commitment

We promise to use the Document you provide only for the stated purpose of Identity Verification. The Document, and any personal information contained within it, will not be used for marketing, profiling, resale, or any purpose unrelated to verifying your identity, unless you separately and explicitly consent to such use, or we are required to do otherwise by law, court order, or a competent government authority.

3. No Unauthorized Sharing

We will not sell, rent, trade, or otherwise disclose your Document or the personal information it contains to any third party, except: (a) to the extent necessary to complete the verification process itself (e.g., using a verification service provider acting on our behalf and bound by confidentiality obligations); (b) where required by applicable law, regulation, or a valid legal request from a government or judicial authority; or (c) to protect the rights, property, or safety of Spirit Novel, our users, or the public, where disclosure is reasonably necessary.

4. Storage and Security

We will take reasonable administrative, technical, and physical measures to protect your Document against unauthorized access, alteration, disclosure, or destruction. Access to submitted Documents will be restricted to personnel or systems directly involved in the verification process.

5. Retention

We will retain your Document only for as long as is necessary to complete Identity Verification and to satisfy any applicable legal, regulatory, or audit requirements. Once these purposes are fulfilled and any mandatory retention period has elapsed, the Document will be securely deleted or anonymized,

unless you request earlier deletion and no legal obligation requires us to retain it.

6. Your Responsibility

You confirm that the Document you submit is genuine, accurate, and belongs to you, and that you have the right to submit it for this purpose. Submitting a forged, altered, or third party's document without authorization is strictly prohibited and may result in immediate account suspension or termination, and may be reported to the relevant authorities.

7. Your Rights

Subject to applicable law, you may request access to, correction of, or deletion of the Document and related personal information held by us. You may also withdraw your account application at any time before verification is completed, in which case any submitted Document will be deleted unless retention is otherwise required by law.

8. Consent

By uploading your Document and proceeding with account creation, you expressly consent to its collection and use strictly as described in these Terms.

9. Changes to These Terms

We may update these Terms from time to time to reflect changes in our practices or applicable law. Material changes will be communicated to users, and continued use of the Platform after such changes constitutes acceptance of the updated Terms.
